

PURPOSE

Kafein aims to protect human values from injuries and health deterioration as a result of occupational accidents by creating safe working areas and a culture of occupational safety in all stages of its activities.

OBJECTIVE

In line with the purpose of the Occupational Health and Safety (OHS) Policy, Kafein aims for zero occupational accidents and zero occupational diseases.

SCOPE

Kafein, within the scope of its legal responsibility, organizes trainings at the beginning of the job and trainings to learn the risks specific to the departments by experiencing them, and raises the OHS culture of not only its employees but also suppliers, interns, visitors, etc. to the highest level with periodic trainings provided in Occupational Safety training areas.

OUR POLICY

As Kafein Teknoloji, we represent and warrant;

- To meet all legal and other obligations regarding Occupational Health and Safety,
- To use the necessary protective equipment and technologies for a healthy and safe working environment,
- To adopt the principle that improvement activities within the scope of Occupational Health and Safety are the common responsibility of all employees,
- To support the provision of trainings within the scope of Occupational Health and Safety,
- To participate at all levels in activities to reduce the level of risk through effective risk assessment and risk analysis and to set targets in this direction,
- To create an occupational health and safety culture, to make it sustainable by continuous improvement and to achieve the goal of "Zero Occupational Accidents".
